Resident Mail

Please pick up your loved one's mail regularly each week. Mail slots are overflowing, and some mail is being sent to the wrong home. To help ensure important mail is not lost, please arrange to have your loved one's mail sent to your home. This helps make sure you and your loved one receive all important correspondence and helps us keep the homes tidy.

Leadership Team Updates

Ulissa is no longer with the company; we wish her well. Please direct all communications that you would have sent to her to Brooklyn.

From the start of October to Mid-January, Grant Nerison will be on parental leave. Please forward all intended communications to Eunie Buford at that time.

You are welcome

There are no visiting hours. Because this is your loved one's home, you're welcome to visit at any time. Feel free to share a meal, join an activity, or go on an outing together. The more involved you are, the more you can support your loved one's quality of life.

Family Caregiver Inspiration

“There are only four kinds of people in the world: Those who have been caregivers. Those who are currently caregivers. Those who will be caregivers, and those who will need a caregiver.” — Rosalynn Carter
