FAMILY NEWSLETTER

Thank you to everyone who helped make Evergreen's 3-Year Anniversary such a meaningful celebration. Seeing so many smiling faces and residents enjoying the day was truly special. Evergreen takes great pride in the care we provide, and we remain committed to supporting each person on their individual journey—mind, body, and spirit.

August 2026

Annual Alexandria Trip!

When: August 12th–14th

Departure: After breakfast on August 12th

Return: After breakfast on August 14th

Our Care team will ensure residents bring all necessary items for the outing, including personal belongings, daily medications, and any emergency medications.

Meals will be provided according to the Grove menu, and we'll also enjoy a BBQ. A variety of activities and games will be available, including Bingo with exciting grand prizes for everyone to enjoy.

Family Council

Hello Families, Friends, and Loved Ones!

Want to be more involved in improving the day-to-day of Evergreen? Please accept this invitation to form a family council. A family council allows you to discuss operations, make suggestions, and assist in quality improvements at Evergreen. The council can meet quarterly or more frequently. We need at least 2 active non-evergreen members and 1 evergreen member to form a council. If you are interest in forming a council or for more details, please reach out to Grant Nerison, Vice President.

Who to contact for medical needs

Please direct all medical questions, needs, and concerns to Ariana Aaron, RN Manager. She is the appropriate point of contact and can address these matters quickly and accurately. When medical inquiries go to other leadership, it creates an unnecessary extra step and delays the support a resident may need. Our goal is always to ensure residents receive timely, attentive care.

Please contact Ariana at 612-558-3589 OR ariana.aaron@evergreencarehomes.com

Moving Out?

If you are planning to move your loved one out, please contact Penny Thomsen, Director of Sales and Marketing. A 30-day notice is required unless your loved one has passed away. Penny will assist you with logistics, clinical information transfers, and final billing to ensure the transition is smooth for you and for our team.
